THE ACQUISITION

During the period from 10 September 2013 to 29 November 2013, the Group (through the Paliburg Group) has acquired 23,452,000 Regal Hotels Shares on the Stock Exchange from time to time at a total consideration of approximately HK\$98.1 million. The Acquisition was carried out on the Stock Exchange and the purchase prices of the Acquisition represented the then market prices of the Regal Hotels Shares.

All purchases under the Acquisition took place on-market; the Company is not aware of the identities of the related sellers. To the best of the knowledge, information and belief of the directors of the Company, having made all reasonable enquiries, the sellers are third parties independent of the Company and its connected persons (as defined in the Listing Rules).

INFORMATION ON ASSETS PURCHASED

The Regal Hotels Shares purchased by the Paliburg Group under the Acquisition represent approximately 2.4% of the issued ordinary share capital of Regal Hotels. As a result of the Acquisition, the shareholding interest of the Paliburg Group in Regal Hotels has increased from 55.3% to 57.7%.

Regal Hotels is a subsidiary of Paliburg. Both Regal Hotels and Paliburg are subsidiaries of the Company. Regal Hotels, through its subsidiaries, is principally engaged in hotel ownership (through its 74.6%-owned subsidiary, Regal REIT), hotel management and operation, property development and investment, as well as asset management of Regal REIT and securities and other investments. Regal Hotels, through its 50% interest in P&R Holdings Limited (a joint venture with the Paliburg Group), is also engaged in the development of properties for sale and/or leasing in Hong Kong and Mainland China.

The table below sets out the profit before and after tax of the Regal Group for the six months ended 30 June 2013 and the two years ended 31 December 2012 and 2011.

	For the 6 months ended 30 June 2013 HK\$' million (Unaudited)	For the year ended 31 December 2012 HK\$' million (Audited)	2011 HK\$' million (Audited)
Profit before tax	101.2	633.1	147.0
Profit after tax	76.5	585.8	130.7

The unaudited net assets of the Regal Group amounted to approximately HK\$13,108.4 million as at 30 June 2013.

REASONS FOR AND BENEFITS OF THE ACQUISITION

Apart from the business carried out by the Regal Group (as described above), the Group is principally engaged in property development and investment, construction and building related businesses, and securities and other investments.

The Regal Group has been an important part of the Group. Regal Hotels became a subsidiary of the Company in May 2012 (prior to that Regal Hotels was an associate of the Company, for accounting purposes). The Company considers that the Acquisition provides a good opportunity for it to further increase its interest in Regal Hotels, through the Paliburg Group, at market prices which represented a substantial discount to the net asset value per Regal Hotels Share. The directors of the Company (including the independent non-executive directors) consider that the terms of the Acquisition are fair and reasonable and in the interests of the Company and its shareholders.

GENERAL

As set out in the Joint Announcement, the Group (through the Paliburg Group) acquired a total of 38,736,000 Regal Hotels Shares on-market during the period from 4 July 2013 to 9 September 2013 at a total consideration of approximately HK\$152.3 million. Save for the Previous Acquisition, the Group did not acquire any Regal Hotels Shares in the 12 months prior to 10 September 2013. The Previous Acquisition constituted a discloseable transaction for the Company under the Listing Rules as set out in the Joint Announcement. The Acquisition, together with the Previous Acquisition, remains a discloseable transaction for the Company under the Listing Rules. The Acquisition itself

constitutes a discloseable transaction for the Company subject to the applicable reporting and announcement requirements under the Listing Rules.
